IN CHRIST

Heavenly Father, we praise you for the vision and faithfulness of our fore-fathers and mothers who gave us your Gospel.

Lord Jesus, we praise you for the grace and love with which you uplift and sustain us each day.

Holy Spirit, we praise you for leading us so that generations yet unborn may be transformed by you.

Holy God empower us to be your faithful church as we prepare for the future. Lead and guide us so that your Light will shine into our world.

Amen.
